Memorandum

1-31-06

TO: Dennis Prouty, Director, Legislative Services Agency
FR: Michael Tramontina, Director, Department of Management
RE: Request to change an appropriation amount.

An error has been found in the Governor's FY07 recommended budget for Economic Development. Due to an oversight \$500,000 was placed in appropriation number 0E91 rather than 0E71.

This error does not impact the balance sheet or the total amount of appropriations recommended for FY07.

To resolve this error we request that you increase appropriation 0E71 and decrease appropriation 0E91 in the Governor's recommendation by \$500,000. Both of these are general fund appropriations.

Thank you for your assistance with this matter. Please contact me if you have any questions.
